Dear Mr. Tatsuji Osada,

On behalf of the Ministry of Health, I would like to acknowledge "Iwakura City Fire Union" for their generous donation of the ambulance to deliver health services at the outer islands.

It is through your support we are confident to provide a successful deliver health services in the outer islands. This ambulance will enable the people of 'Eua to experience an easiest and fastest service for the emergency side which was not possible before. Rest assured that this vehicle will be well utilized and it is our priority to ensure that it is well looked after and maintained.

A successful Health management system will contribute to strengthening the health services and achieve our Ministry mission "To improve the health of the nation by providing quality care through promotion of good health, reducing morbidity and premature (death) mortality in Tonga.

May God bless you always and your good office and may we continue to work together in years to come.

Yours sincerely,

Dr. Siale 'Akaola
