

REPUBLIC OF KENYA
ISIOLO COUNTY ASSEMBLY

DATE: 17/9/2014

TO: TOYOHASHI CITY
AICHI PREFECTURE-JAPAN
THROUGH SPJD

We, members of Isiolo County Assembly, **Hon. Moses Kithinji Mwongera (Bulla Pesa ward)** and **Hon. Paul Mero (Burat ward)**, who you honoured their proposal for a fire fighting Engine through **Mr. Shionjiri of Tenri Mission Kenya**, do hereby appreciate you for the great donation of the fire engine as we requested. We appreciate on behave of ourselves and people of Isiolo.

The fire engine has become a blessing to the County of Isiolo. Since we got the fire engine, it has done Isiolo County and its neighbouring counties a great job by putting off five different fires successfully, it has offered more than 13 jobs to our youth and it's still on the verge of adding more jobs for efficiency. With this support, we are sure of reducing fires and loss of property greatly to Isiolo County, neighbouring Meru County and Samburu County residents, in case of fire outbreaks. The Fire engine is now under the custody of **His Excellency Governor of Isiolo County Godana Doyo**.

Thanks a lot and God bless you abundantly.
