To - H.E. Ambassador  
Japan Embassy  
Addis Ababa

Your Excellency,

I am sending this letter on behalf of the Ethiopian Red Cross Society to express my sincere appreciation for the two well equipped ambulance vehicles your Embassy donated to our National Society earlier. I believe the vehicles will add up to our Ambulance fleet we are running and helps us reach fast to save the lives of many. It will also increase our capacity in terms of Ambulance service delivery.

I thank you again for the donation and hope our partnership continues with the same spirit and devotion to help the most vulnerable people. On our part, we commit to avail the ambulance vehicles to fill the gap where the service is limited.

Sincerely yours,

Daniel Tegenu  
President
